

County Junior League Round 2

7th November at Crypts School Gloucester

Stroud 1 Cheltenham 6

Stroud 1 Cheltenham 6

Stroud 6 Cirencester 1

For the the first match against Gloucester, the Stroud team was Joe Woodley, Mike Kilcooley, Tom Watts and Katie Trinder. Despite some close games, this turned out to be a one sided affair with Gloucester winning 6-1. Stroud's point came from Mike Kilcooley

Favourites Cheltenham were next up and another heavy defeat was on the cards. Tom Watt dropped out for this match to make way for Dan Ind who teamed up with Joe Woodley, Mike Kilcooley and Katie Trinder. Again there close matches but the boys came away empty handed. However, Stroud's Katie Trinder, playing in her first ever competitive match at any level caused an up-set when she beat her Cheltenham opponent 3-2 which was an excellent achievement salvaging a point for Stroud in another 6-1 defeat.

Better things were expected against Cirencester who were bottom of the league after the first round and so it proved with a 6-1 win and some fine performances from Dan Ind, Joe Woodley and Tom Watts who won 2 matches each. Katie Trinder was up against a much more experienced player this time and although playing confidently was no match for the Cirencester girl.
