The final round of the County Junior league was played out at Deer Park School, Cirencester on Saturday 13th March 2010.

The clear favourites to win were Cheltenham who had a clear lead going into the final round. However with Gloucester having only a two point advantage over Stroud it was always going to be a nail biting conclusion.

As expected Cheltenham romped home as worthy victors by a clear margin of 10 points, whereas Gloucester and Stroud had to fight hard in their final match as they were pitched against each other. Stroud won their match 4 -3 against Gloucester , but this win was bittersweet as they failed to gain enough points to claim runners up position falling one point short. Cirencester finished in fourth position.

Les Smith, Gloucestershire Table Tennis Association chairman presented the shield to the winning team, medals to the winners and runners up, and certificates to all who participated during the competition which was played over four rounds.
