### U13 Division

Randwick B increase their lead at the top of the table with 5-0 wins over British School B and Stroud High School. Ben Glover retained his 100% record against SHS but was made to fight all the way by Will Cole before winning 8-11, 11-8, 11-5. Will then came up against the improving Sam Collings in another close match which Sam won 14-12, 11-8.

Thomas Keble School B are still in second place thanks to a 5-0 win against their nearest challengers Chalford Hill School but only after some very close games that could have gone either way. TKS B were once again without their registered players and on this occasion were represented by Sam Lingard and Jack Rosewell both from Chalford Hill School. Against SHS, Sam lost his 100% record to Will Cole. Jack had two wins out of four on his first appearance in the completion,

The 'official' Chalford Hill School team of Sammy Ramsey and Jake Asher beat TKS C 4-1 which was just enough to keep them in third place, One point behind come TKS D who had good wins over British Schools A and B to move up a place in the table. However, like their B side, TKS D were without their registered players and were fortunate that Oliver and Emily Philp stepped in at the last minute.

For the second round in a row British School A were involved in very close matches and were unlucky to come away without a win. Ian Trinder narrowly lost to Oliver Philp 9-11, 11-9, 9-11 but Katie Trinder beat Emily Philp to take the only point against the new-look TKS D side. Katie also won a match against TKS C and teamed up with Ian to win the doubles.

Stroud High School came up against the top two teams and after the disappointment of losing 5-0 to Randwick B got the better of TKS B with a 4-1 win. With Sam Collings, returning for Randwick, Will Jones joined Will Cole in the SHS team and picked up a point against TKS B and helped his partner win the doubles. Will Cole won both his matches against TKS B. Matthew Davey won 3 out of 4 matches for TKS C and the team beat British School A but it wasn't enough to improve their league position.

British School B is still looking for that first point after two more heavy defeats.
