

New Coach for High School

The after-school Table Tennis Club at Stroud High School was given a big boost with the appointment of new coach Nick Davidson when it restarted on the 6th November.

Nick is ETTA level 2 qualified, a current Cheltenham Division 1 player and brings a wealth of experience from his time as Development Officer at Cheltenham Table Tennis Club

Head of Sport Lyn Parker-Dodd welcomed Nick to the club and said:-

I'm very excited by Nick's appointment and confident that the club will start to grow again. We welcome students from all local primary and secondary schools who do not have a club of their own or want to advance their game and I know that Nick will provide the appropriate coaching methods to suit all skill levels and ages. To see 13 students for the first session after such a long break was really encouraging

The club currently has 8 tables which is adequate for up to 20 players but it has the capacity for another 8 tables if numbers grow as expected.

Sessions run from 3:30-5:30

Fees are: £2 High School and primary school pupils and £3 for all others
