

Stroud & District Table Tennis Youth League

Round 2 report (12-12-09)

U18 Division

Randwick A are still unbeaten and have opened up an eight point lead at the top the table with Will Sadlier and Declan Fardon yet to drop a single game.

After playing without a partner in round 1, Harry Gwilliam was joined by clubmate Joe Browning and both were unbeaten to bring Cam and Dursley up from fifth to second place with 17 points. Oscar Costello and Ollie Williams were on good form to move Wynstones School up from seventh to third place. After a good start in the first round, Thornbury found it tough against Randwick and Cam/Dursley and drop to fourth place on 11 points along with Rednock A and TKS A.

For TKS A, Dan Ind lost his 100% record coming up against the experienced Randwick pairing of Will Sadlier and Declan Fardon. For the second time in a row Soul Cal again only had one registered player at the start but fortunately Tom Watts was able to call on 'guest' Patrick Fardon to help out. Both players won 2 matches each but with Tom having to leave before completing the last match, points were forfeited leaving them in seventh place.

The Rednock B team of Nick Kendall and Ben Edwards picked up their first points with a 3-2 win over one-man Soul Cal but remain at the foot of the table.

U13 Division

Randwick B were without Sam Collings but still managed to win all their matches to stay top of the division. Will Jones from Chalford Hill School stepped in to give good support to Ben Glover who retains his 100% record.

In second spot only 2 points behind are Thomas Keble School B who dropped just one point from their three matches and moved up six places thanks to good performances from Will Duggleby and Sam Lingard. Sam, from Chalford Hill School took the place of Jack Thompson and ended the night unbeaten.

The Chalford Hill team of Sammy Ramsey and Jake Asher drop from second to third place after winning two of their three matches.

British School A were involved in a number of close games against the top three teams and were unlucky to lose all three matches. Katie Trinder had a good win over Will Duggleby from TKS B and also beat Will Jones from Randwick B. Ian Trinder beat Jake Asher from Chalford Hill and Will Jones. Neither of the players registered for TKS D were able to play and so Chris Wilden from Chalford Hill School stepped in to ensure the matches were played. Chris did very well winning three out of four of his matches to earn valuable points for the team.

TKS C had mixed fortunes beating British School B 5-0 and losing to TKS B 5-0. Matthew Davey and Connor Kinner both had close games against their B team.

British School B are still without a point after two 5-0 defeats and remain rooted firmly at the bottom of the table. Although a little disheartened, Joe Marrow and Regan Walker never gave up and will continue to learn from playing against more experienced players.

The SHS team was not represented and so the matches against TKS D, TKS C and British School B will be arranged between the teams before the next round.
